OPINION

Plaintiff filed this lawsuit asserting
incomprehensible claims against multiple defendants.
This lawsuit is now before the court on the
recommendation of the United States Magistrate Judge
that plaintiff's case be dismissed without prejudice.
There are no objections to the recommendation. After
an independent and de novo review of the record, the
court concludes that the magistrate judge's
recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 1st day of February, 2023.
